

## Warner Township Meeting May 7, 2025 Minutes

Meeting was called to order at 7:00 p.m.

Pledge of allegiance

Roll call: Present- Sarah Kitchen, Pam Zaremba, Laurie Bingham, Lori Herman and Rob Herman

Absent: 0

Guest: 1

Motion by L. Bingham to approve the minutes. Supported by R. Herman.

Road Projects for this year. Marker road- beginning at M-32 thence west to end of Marker Road, approximately 3, 115 feet. Reshape existing grade. Place and compact 4 inches of 23A gravel 24 feet wide. Total cost \$31,00.00

Motion By S. Kitchen to approve the Marker Road project. Supported by L. Bingham.

Brian Skop gave an update/ Status on the Maple Hill Cemetery. There is an old well located in the shed building on site. That well has not been used in years. He had a price of \$500.00 to pull and cap the well. The shed is in much needed repair. The cost to save and repair the shed would exceed the cost to tear it down and make that area a common area with trash cans and possible sitting area with benches to be discussed as a future project.

Some of the headstones are in dire need of maintenance as they have sunk or tipped over.

The board is reviewing and looking into new burial rules. We will gather information other neighboring townships on their burial time frame.

Motion by S. Kitchen to cap the well and proceed with the demolition of the shed. Supported by L. Herman.

Motion by P. Zaremba for Brian to proceed with up righting the Headstones and fixing the fence along the cemetery. Job will be done as time and materials. Supported by S. Kitchen.

Three bids were received for cutting and removing trees in and around the cemetery.

Motion By S. Kitchen to except the bid from Advance Tree Service LLC from Gaylord. Supported by R. Herman.

Motion by L. Herman to pay the bills. Supported by S. Kitchen

Motion by S. Kitchen to adjourn the meeting. Supported by R. Herman

Meeting adjourned at 8:03 pm

Respectfully submitted by  
Pamela Zaremba, Clerk
