Guest Speaker: Julie Sevenski and Tim Daniels both addressed the board on the road work that was done on Deadmans Hill rd (East of 131) They each wanted to know why township dollars were spent on laying more gravel and raising the grade of the road verses laying asphalt on the road. They told us the problems each is having the dust from the road, from not being able to open their windows to shutting down his pool due to too much dust clogging his filters.

Another concern was Kitchen Farm tractors dragging their equipment through the ditches and filling them up with dirt, this results in no flow for water to run and causes flooding on the road. This issue should be addressed with the agriculture department to see what right of way farm equipment has turning equipment on county roads.

Motion by P.Zaremba to call the Antrim County Road Commission to get an estimate would the cost would be if Deadmans Hill Rd was paved either partial or full. Supported by R. Herman

County Report was read and reviewed by Dawn LaVanway.

Don Franckowiak with Elmira/Warner Fire Department spoke to the board regarding wish list items for the fire department. Warner Township is looking to apply their ARPA money towards the Elmira/Warner fire department. The ARPA funds have specific rules that the money can be applied towards. More detailed information needs to be researched.

The election security grant was discussed. This grant is eligible for reimbursement up to \$1,500 for the 2022 year. This a grant from the Election board of Michigan, which they have provided a list of approved items under this grant. Warner Township is in the need of a new laptop which would host the electronic poll book, along with storage bags and ballot containers.

Motion by L. Franckowiak to purchase a new laptop and storage bags and submit this purchase under the grant. Supported by R. Herman.

Motion by L. Herman to pay the bills. Supported by L. Franckowiak.

Motion by M. Franckowiak to adjourn the meeting. Supported by R. Herman.

Meeting adjourned at 8:09 pm.
